Illinois Getting Wet

Eighteen towns in Illinois went wet Tuesday. These with those which got back from where they started two years ago, looks ominous for the dry fad.

WHY YOU ARE NERVOUS

The nervous system is the alarm system of the human body.

In perfect health we hardly realize that we have a network of nerves, but when health is ebbing, when strength is declining, the same nervous system gives the alarm in headaches, tiredness, dreamful sleep, irritability and unless corrected, leads straight to a breakdown.

To correct nervousness, Scott's Emulsion is exactly what you should take; its rich nutriment gets into the blood and rich blood feeds the tiny nerve-cells while the whole system responds to its refreshing tonic force. It is free from alcohol.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. ORDER OF PUBLICATION.

State of Missouri, County of Chariton, ss.

In the Circuit Court, May Term, 1916.

William Brockman Plaintiff

vs.

Edward Schehrer, John Schehrer, Anton Schehrer, Adam Schehrer, Fred Schehrer, Alma Branch and Andrew Branch, her husband Defendants

Now at this day comes the plaintiff herein, by his attorneys and files his petition verified by affidavit, alleging, among other things that defendants, Anton Schehrer, Adam Schehrer, Fred Schehrer, Alma Branch, and Andrew Branch, her husband, are non-residents of the state of Missouri and that the defendants Edward Schehrer and John Schehrer are residents of Chariton County, Missouri, but that the defendant John Schehrer has absented himself from his usual place of abode in this state so that the ordinary process of law cannot be served upon him.

Whereupon it is ordered by the undersigned Clerk in vacation that said defendants, John Schehrer, Anton Schehrer, Adam Schehrer, Fred Schehrer, Alma Branch and Andrew Branch be notified by publication that plaintiff has commenced a suit against them in this court, the object and general nature of which is to partition among the various parties to this suit the following described real estate, to-wit:

The south half (1/2) of the north west quarter (1/4) of section six (6), township fifty-six (56), range nineteen (19), Chariton County, Missouri, containing approximately 70.44 acres, and sixty (60) acres of the south side of southeast quarter (1/4) of section thirty-six (36), township fifty-seven (57), range twenty (20), Linn County, Missouri. Said petition alleges that the plaintiff is the owner of an undivided one-seventh (1-7) interest in said lands by purchase from one Charley Schehrer, and that the defendants Edward Schehrer, John Schehrer, Anton Schehrer, Adam Schehrer, Fred Schehrer and Alma Branch are the owner each of an undivided one-seventh (1-7) interest therein; that they own said land as tenants in common, and that plaintiff is entitled to partition thereof. Said petition further alleges that the defendant Andrew Branch is the husband of defendant, Alma Branch and has no interest in said land except his marital interest therein as such husband.

Now, unless the said John Schehrer, Anton Schehrer, Adam Schehrer, Fred Schehrer, Alma Branch and Andrew Branch, her husband be and appear at this court at the next term thereof, to be begun and holden at the courthouse in the city of Keytesville, in said county, on the 15th day of May next, and on or before the first day of said term, answer or plead to the petition in said cause, the same will be taken as confessed, and judgment will be rendered accordingly.

And it is further ordered, that a copy hereof be published, according to law, in the Chariton Courier, a newspaper published in said county of Chariton and designated by plaintiff's attorneys for 4 weeks successively, published at least once a week, the last insertion to be at least fifteen days before the first day of said next May Term of this Court.
